Postponement notice - The organizing committee of "The Singha Tour of Chiang Rai 2014" has sadly decided to postpone the event to a more suitable date next year. This has been a difficult decision but it has been done for various good reasons and in order to provide an even better quality event in the near future. The new date will be announced soon. We would like to apologize for any inconvenience. Postponing or cancelling an event is not something AMA has done in the past and we did it really in a case of force majeure.
